SIR:

On May 9, 2006, applicants' undersigned counsel submitted a paper entitled "Updating Information Disclosure Statement," which was signed by applicants' undersigned counsel on May 9, 2006 and carried a certificate of mailing under Rule 1.8 dated May 9, 2006. That paper mentioned four enclosures, but when it was being

prepared for mailing from the office of undersigned counsel to the Patent Office on May 9, 2006, two of the enclosures were inadvertently omitted. The omitted enclosures were copies of two Examination Reports, one dated February 25, 2003 and the other dated January 23, 2004, rendered by the U.K. Patent Office in connection with applicant's counterpart British patent application.

Both of the omitted enclosures are submitted herewith. Applicant's undersigned counsel believes that no fees are required by virtue of this supplemental submission, which is being made only two days after the inadvertent omission of those enclosures. It is requested that these enclosures be accepted to rectify that omission, and that the paper submitted on May 9, 2006 not be deemed incomplete and defective as a result thereof.

Respectfully submitted,
